### **Studio viewing 15th April 2025 at 1 pm**

Various studio spaces, individual and group studios, available immediately at PLATFORM. If you are interested in viewing the studios, please send your CV and a list of the exhibitions you have participated in by 13 April to [bewerbung@platform-muenchen.de](mailto:bewerbung@platform-muenchen.de)

### **About the studios**

The studios are well-lit thanks to large windows with natural light: Some studios are equipped with high-voltage electricity, telephone and IT connections as well as a washbasin in the corridor or in the studio itself. Toilets, showers, waste containers, freight and passenger lifts are available. The studio is accessible without barriers.

The rent is €11/m<sup>2</sup> net rent + €3.50/m<sup>2</sup> service charge in advance. A deposit of 2 months' rent is required for the respective areas. The rent for the communal areas is subsidised by the MBQ programme of the City of Munich.

The first spaces are available immediately by arrangement. All rental contracts are limited until the end of 2025.

Located in the south of Munich directly at the Aidenbachstraße underground station (U3) and the bus station of the same name, PLATFORM offers good transport connections (12 minutes to Marienplatz). The studios are managed and let by Münchner Arbeit gGmbH.

### **About PLATFORM**

PLATFORM is a multi-faceted art venue combining artistic creation with mediation, contextualisation and qualification. Studios, exhibition spaces and an office for cultural professionals are spread over an area of around 2000 m<sup>2</sup> in a former industrial complex in the south of Munich. The local proximity between the artists and cultural practitioners enables spontaneous encounters and discussions, resulting in a continuous and sustainable exchange

As an art venue, PLATFORM, curated by regional and international curators, presents contemporary positions and provides impetus in the current art discourse. As part of the qualification opportunities, PLATFORM serves as a field of experimentation for trainees, who can broaden their experience in art and cultural management and sharpen their professional profile through the conception and realisation of exhibition and event formats. For artists, PLATFORM offers further training series for professionalisation within the contemporary art landscape.

### **About the studio house**

PLATFORM accommodates 23 studios in which around 40 artists from various artistic fields work.

### **About the call**

The call for applications is aimed at freelance artists who have completed or are currently studying at an art academy (BA/MA, diploma or a comparable degree). Artists who have a professional exhibition history and live in Munich or the neighbouring districts are also eligible. Applications as a studio community are possible.
